**Thank you** for choosing to consign with us!

**We sell women's and men's clothing, shoes and accessories, along with outdoor equipment and miscellaneous fitness, pet and household items.**

\*We **DO NOT ACCEPT** watercraft, life preservers or helmets.

\*Here's how consigning with Amy's Indoor Outdoor Exchange works:

When you bring your items in for consignment, we will go through your items and select what we think our customers will buy. Please understand, the items we accept are based on our shopper's preferences. We base our prices on a percentage of retail prices, as well as supply and demand. It is our goal to get the best prices for you!

\_\_\_\_ **Bring your items in clean and in good condition--clothes need to be wrinkle-free and on hangers. We do not accept clothes in bags or boxes. Furniture is chosen and accepted at the sole discretion of the owner, therefore appointments must be made to discuss those items.** Furniture, and other large/heavy items need to be brought to the store by the seller. We do not pick up or offer trucking. Items need to be clean and ready for our sales floor so we can process them quickly and efficiently, allowing you to start earning money as soon as possible!

\_\_\_\_ **Consignment Proceeds are as follows:**

Consignors receive 45% of the selling price minus items fees. Checks may be picked up anytime during our business hours. Receive an extra 10% when you use your money as store credit! **Please note:** Any balance not used or claimed will be forfeited after 6 months. In the event Consignor misplaces or does not receive a mailed check, she/he may choose to have the check reissued immediately, less a \$35 stop payment fee, or may choose to wait 60 days for the check to be reissued at no charge.

\_\_\_\_ **Items are displayed up to 90 days.** We determine the prices at which the items are sold. Price tags are dated from the time an item is put on the sales floor. **If an item has not sold after 30 days, a market down process will begin** (At any time during consignment, items may be reduced in price, at our discretion, in order to sell them). **A fee, determined by the item's price, will be charged if you pick up your items before the 90-day consignment period ends.** At the end of their consignment period, items are displayed for a one-day sale. Items with a regular price under \$5 will be displayed for a sales price of \$1; Items \$5 - \$35 will have a sales price of \$3. Consignors receive 25% of this price. Items with a original price over \$35 are sold at 75% off and consignment splits remain as stated above. **Any unsold items over \$35 can be picked up within 72 hours of the expiration date. Any items not retrieved by the end of the 72 hour time period will be considered abandoned and will immediately become the property of Amy's Indoor Outdoor Exchange. Unclaimed items will be disposed of as we deem appropriate, with no further notice or payment to the Consignor.**

\_\_\_\_ **The Consignor must be 18 years of age or older**

\_\_\_\_ **We reserve the right to donate any items found to have noticeable stains, defects, chips or flaws.** You may pick up a tax donation receipt for your records.

\_\_\_\_ **We pledge to do our best to safeguard your items, but we are not responsible for damage, loss or theft.**
